

Worldwide Leader In Advanced Cleaning Systems

# DAIMER®

## INDUSTRIES

The **Revolutionary** XTreme Power®  
Commercial Carpet Cleaner Systems

**Daimer Industries** is the proud provider of one of the most durable and high-performance lines of carpet cleaners and carpet steam cleaners in the industry today, namely the *XTreme POWER*® series. We are pleased to offer our customers the carpet cleaners models that are ideal for most carpet and upholstery cleaning tasks. The *XTreme POWER*® series represents the high quality workmanship, durability, and versatility for which for which the factory has been well-known for over 30 years. Invest in Daimer and our carpet cleaners that will yield years of satisfaction and reliability versus the short lifespan of those less expensive, lower-quality carpet cleaner sold in retail stores and elsewhere. Daimer's carpet cleaner are designed to last and last!

- All systems are available in 220-240v, 50Hz for-non USA applications
- Enormous cleaning power and impressive performance
- Rugged quality construction/Low maintenance design
- Heavy duty motors
