Daimer® XTreme Power® offers more than 20 models of carpet cleaners and upholstery cleaners. The XTreme Power® line is available in configurations designed for everything from auto detailing to low-pile carpet shampooing. The line also includes both heated and unheated models. Daimer® offers the machines in both 50 Hz and 60 Hz models for customers worldwide. Recently, Daimer® increased the pump pressures across much of the line. The company also introduced a carpet head design offering greater extraction with the same vacuum system. The XTreme Power® XPH-9300U is a powerful, heated commercial upholstery cleaning machine designed specifically for interior auto detailing and cleaning fabric upholstery. Clean carpets as well, when paired with the optional carpet wand.

- All Daimer® carpet and upholstery cleaners include exclusive **Low Flow Technology** to *rapidly reduce drying times without impacting cleaning power*. Drying times of the XPH-9300U as low as 2 hours for carpet (1 hour for upholstery) allow operators clean and shampoo carpet and upholstery effectively with the highest productivity.
- This heated model **boasts temperatures up to 210°F** for rapid dissolving of food spills, grime, and other residues deeply embedded within carpets.
- The **included upholstery wand** enables operators to tackle auto detailing and upholstery cleaning tasks.
- Pair with **Eco-Green® Carpet Care & Upholstery Cleaner** for the best, most environmentally safe results.
